35th Ryder Cup Matches

Community Relations Program
Introduction

Each charity listed below has had outstanding success in helping to enhance the quality of life for the individuals and families they serve throughout the Detroit Metropolitan Area. Realizing this, our goal is to briefly define their mission and share the innovative ways in which they plan to use the funds generated through the Ryder Cup Matches sanctioned events. We all know of other very effective and deserving charitable organizations. However, we certainly hope that you share our feelings, that all 16 of these charities have and will continue to have tremendous impact on the Detroit area communities.

We would like to thank each organization for their service to the community. A special thanks to the three presenting sponsors and the 35th Ryder Cup Matches partnership for their commitment to make this Community Relations Program successful.

Summarized below are the number of charities and the estimated dollars that will be donated through the Ryder Cup outreach programs.

Captains Challenge Charities
Presented by Cadillac

Band of Angels Foundation

MISSION: The mission of Band of Angels Foundation is to facilitate the view that persons with Down Syndrome are members of society no different than you or me. To help facilitate this mission, Band of Angels Foundation publishes and delivers the award-winning “Common Threads: Celebrating Life with Down Syndrome” book, and other introductory materials to families across the country within days of the birth or adoption of their child with Down Syndrome. This book presents realistic and positive portrayal of children with Down Syndrome. For many parents, “Common Threads” has been a life-changing touch point of inspiration and hope.

Since 1997, Band of Angels has run a scholarship program for young adults with Down Syndrome who aspire to attend college or pursue specific job training.

USE OF RYDER CUP FUNDING: We are in the process of putting together a program here in the Metro Detroit area for golf lessons for teens and adults with Down Syndrome. For young people with disabilities, the teens can be the loneliest years. With the support of the Ryder Cup, we have approached golf professionals from the Michigan PGA Section and golf course managers to dedicate a day a week for eight weeks in the summer of 2005 to teaching golf to persons with Down Syndrome and other developmental differences. We expect to run a golf outing at the end of the eight weeks to showcase the new-found talent and hard work of all involved.

Barbara Ann Karmanos Cancer Institute

MISSION: Based in midtown Detroit, the Barbara Ann Karmanos Cancer Institute is committed to detect and eradicate cancer. The Meyer L. Prentis Comprehensive Cancer Center of Metropolitan Detroit, operated by the Institute, is one of 38 National Cancer Institute-designated comprehensive cancer centers in the United States. Caring for more than 6,000 new patients annually, conducting hundreds of cancer-specific scientific investigation programs and clinical trials, the Institute is among the nation’s best cancer centers. The Institute recently accomplished what had been its top strategic goal - reaching an agreement with the Detroit Medical Center (DMC) to enable an Institute acquisition of the patient-care facilities in midtown Detroit and Farmington Hills that the DMC and Institute have jointly managed for 10 years. In a continuing affiliation with the DMC, the Institute will independently own and operate these clinical facilities as of May 1, 2005.

USE OF RYDER CUP FUNDS: As a federally designated comprehensive cancer center, the Karmanos Cancer Institute’s mission focus is state-of-the-science cancer research and outstanding patient care. It is the quality and quantity of cancer research that defines the Institute. The Institute will use the Ryder Cup funds to continue to conduct groundbreaking cancer research and apply that research to patient care.

Hope Center Beaumont Hospital Center for Human Development

MISSION: HOPE Center (Hands-on Parent Education) is an intensive behavioral intervention program for families of preschoolers with Autism Spectrum Disorders. Autism Spectrum Disorders are neurodevelopmental disorders that affect the child’s ability to interact socially, communicate and play. Through this unique program, parents accompany their child to a preschool center three hours a day for 12 weeks. Parents are the focus of teaching. Behavioral specialists show parents in a hands-on manner how to teach their child.

USE OF RYDER CUP FUNDS: The cost for the HOPE Center is not a covered benefit of most health insurance companies, requiring families to pay out-of-pocket for the services provided by our Center. We established a scholarship fund for those of financial need. We would like the money donated to the HOPE Center to be used for our scholarship fund.

CONTACT: Ruth M. Anan, Ph.D., BCBA, Director, Early Childhood Program, at 248-691-4744. Email is ranan@beaumont.edu.

Jack’s Place for Autism

MISSION: Jack’s Place for Autism, founded in September 2002, is dedicated to providing support, education, compassion and a comprehensive array of services to help families cope with the everyday challenges of autism. It is our goal to provide varying therapies, support groups for siblings, seminars and counseling for families, referral networks to health care specialists and programs, and structure activities for autistic children and adults. A long-range goal is to provide independent living as well as assisted living facilities and job training services for autistic adults.

USE OF RYDER CUP FUNDS: In March of 2004 we announced our partnership with Oakland University School of Education and Human Services. The funds we receive will be designated to begin serving families with loved ones who are diagnosed with autism. The services will include resource information (where to go for treatments, doctors’ and dentists’ names, camps and other facilities working or providing services to families, etc.) counseling, continuing education in and for the communities in the Metro Detroit area.

**Judson Center**

**MISSION:** Judson Center is a comprehensive multi-faceted community-based service center that provides permanent solutions for children from abused and neglected backgrounds, persons with developmental disabilities and families in crisis. Judson Center has grown and expanded its program services and regional offices to include Oakland, Wayne, Washtenaw, Macomb and Livingston counties.

For the past four years, Judson Center has provided respite care for children with autism and has recently developed the Judson Center Life Academy, an individualized program that builds upon a young adult’s relational, emotional and skill development to help achieve successful independence in adulthood.

**USE OF RYDER CUP FUNDS:** Judson Center will utilize funding from the 35th Ryder Cup Matches to fund a new Autism Center slated to open in January 2005 at its Royal Oak location.

**The Detroit Midnight Golf Program**

**MISSION:** The Detroit Midnight Golf Program started in 2001 as a Ryder Cup initiative designed to provide young adults the opportunity to improve the quality of their life and excel socially as they learn the game of golf. This unique program targets inner city young people between the ages of 17-22 years to enhance their intellectual development, physical well-being, academic achievement, employability and socialization.

The Program is conducted twice weekly for 32 weeks between 5:30 p.m. and 9:00 p.m. During each session, the participants engage in life skills workshops, learn the game of golf and enjoy dinner. The Michigan PGA Section conducts golf instruction. Dedicated volunteer mentors and guest speakers from various professions provide positive and powerful role modeling.

**USE OF RYDER CUP FUNDS:** The contribution from the 35th Ryder Cup Matches will support an intense focus on higher education entitled “MGP College Bound”. This program supports financial needs of students related to attending College. The program will encourage participants to attend college, improve their preparedness and expand their choices of institutions of higher learning.

For the participants who have enrolled in college, funds will be used to help reduce their financial burdens to keep them in college.

Covenant House Michigan

MISSION: Covenant House Michigan provides homeless, runaway and at-risk youth between the ages of 13 and 22 with educational and vocational programs as well as other support services, to help them overcome hurdles such as homelessness, unemployment, inadequate education, violence, drugs and gangs. We attempt to redirect these adolescents onto a path toward meaningful and successful adulthood.

Covenant House Michigan programs consist of a Crisis Center, Rights of Passage transitional housing, two Community Service Centers, Job Development Center and Street Outreach.

USE OF RYDER CUP FUNDS: Funds donated to The Covenant House Michigan will benefit our Crisis Center. The Crisis Center provides homeless youth with immediate help 24 hours a day, seven days a week. The Center offers open intake, hot food, clean clothes, a warm bed and supportive services. Our new 45-bed Crisis Center opened in February of 2003.

Charles H. Wright Museum of African American History

MISSION: Charles H. Wright Museum of African American History, in Detroit, is the world’s largest institution dedicated to the African American experience. Founded in 1965, the museum exists to serve Metropolitan Detroit and national communities by providing exceptional exhibitions and programs that explore the diversity of African American history and culture.

USE OF RYDER CUP FUNDS: Support received from the 35th Ryder Cup Matches will be designated for three educational programs.

“A” is for Africa, this hands-on exhibition for children focuses on preschool through fourth grade by introducing them to an array of interesting peoples, places, ideas and objects important to understanding the cultures of Africa.

Noël-Night, a collective community expression of the universal celebration of Christmas by the institution that comprises Detroit’s Cultural Center. Museum visitors of all ages enjoy poetry, storytelling and seasonal themed performances by choirs, a ballet company and instrumental ensemble. Also visitors participate in workshops including holiday ornament and candle making.

Dr. Martin Luther King Jr. Day, which commemorates the life and legacy of Reverend Dr. Martin Luther King Jr. with performances, movies, lectures and workshops that explore the history of grassroots activism.

**Goodsports Foundation**

**MISSION:** The GoodSports Foundation was organized more than 30 years ago to help people who are in need and cannot get help anywhere else. The GoodSports membership is comprised of all segments of the community. We provide additional monetary support to a variety of local charities.

**USE OF RYDER CUP FUNDS:** Funds donated to the GoodSports Foundation will go to approximately 20-25 inner city organizations or individuals that we currently support. These organizations or individuals, provide food and temporary housing for the homeless, clothing and toys for children, after-school educational programs for kids and shelter for abused women.

**The North Oakland Foundation at North Oakland Medical Centers**

**MISSION:** The North Oakland Medical Centers’ Neo-Natal Intensive Care Unit is the anchor to the coordinated efforts in Oakland County to reduce the high infant mortality rate in Oakland County. The rate of infant mortality among black Americans reaches well beyond acceptable rates in the industrial world. This vital effort gives health and hope to mothers who experience a troubled pregnancy, or have unexpected problems at birth. The Foundation worked to bring a unique, cutting edge therapy program called Euro-psy to the United States. The Foundation continues to support Euro-psy, which remains the only hospital-based, intensive physical therapy program for children with cerebral palsy in the country. The Foundation’s Adopt-a-Eurokid Program helps children afford this life-changing therapy by granting scholarships for treatment. Also driven to address Oakland County’s devastating infant mortality rate, the North Oakland Foundation has raised funds for the complete renovation of North Oakland’s Level III Regional Neonatal Intensive Care Unit, providing medical staff the technology needed to save these precious lives.

**USE OF RYDER CUP FUNDS:** Funds donated to the North Oakland Foundation will help us complete the final phase of our “Fulfilling Dreams” campaign that will re-create the state-recognized Level III Neonatal Intensive Care Unit at North Oakland Medical Centers. Substantial upgrades to the Intensive Care rooms will make the unit more physician- and caretaker-friendly, and be more welcoming to parents. New additions to the North Oakland NICU will include a high-tech isolation unit, an overnight stay area for mothers to experience the overnight special needs of their infants prior to returning home, a parent training area, a special area for NICU mothers to learn about nursing and other special needs.

The First Tee of Michigan Foundation

**MISSION:** The First Tee of Michigan Foundation was created in 1998 to impact the lives of young people by providing learning facilities and educational programs that promote character development and life-enhancing values through the game of golf.

The First Tee curriculum has five levels through which the children progress through. As they move through the levels, they are evaluated on their golf skills as well as their knowledge of rules, etiquette and life skills. Participants who reach the Birdie and Eagle levels have the opportunity for additional program benefits. Birdie and Eagle participants are also eligible to become First Tee Scholars. Three participants from The First Tee of Detroit have become First Tee Scholars, thus earning four-year college scholarships. There are more than 1,000 kids in the Detroit First Tee program.

**USE OF RYDER CUP FUNDS:** The program that will benefit from the Ryder Cup Matches is our “Birdie & Eagle” Program. At the “Birdie & Eagle” levels, a majority of the instruction takes place at local private golf clubs. The class size is a maximum of 6:1, and PGA or LPGA Professionals give all instruction from the facilities. The “Birdie & Eagle” students receive a full set of golf clubs and bag. They also are asked to get involved with their community, and serve as mentors to younger golfers in the program.

The Literacy Partnership of Southeast Michigan

**MISSION:** The mission of The Literacy Partnership is providing the leadership necessary to mobilize available resources in a regional campaign for increased literacy instruction and literacy awareness. The Literacy Partnership of Southeast Michigan is a non-profit venture of the three largest literacy providers in the tri-county metropolitan Detroit region: ProLiteracy Detroit, Macomb Literacy Partners, and the Oakland Literacy Council. Each has provided free basic literacy tutorial services to adults and their families for 20 years. Increased literacy is essential to the future economic and social health of Southeastern Michigan.

**USE OF RYDER CUP FUNDS:** The Literacy Partnership of Southeast Michigan will use these funds to match a $40,000 challenge grant from the Knight Foundation to recruit and train volunteers, and provide free basic literacy tutorial services to adults and their families. Additionally, funds will be used to provide educational materials and software to enhance the tutorial sessions.

The Children’s Charities Coalition is a collaboration of four organizations with four heads but one heart to make a difference in the lives of children. Each of the four charities under the Children Charities Coalition will benefit from the Legends Fore Children Charities fundraiser. Below is a brief mission statement of each charity and the Coalition’s plans to utilize funds from this sanctioned event:

**Child Abuse and Neglect Council of Oakland County**

**MISSION:** This charity is the leader in the protection of children in our community. By providing prevention, intervention and treatment services to victims of abuse, the organization makes a difference in the lives of more than 3,000 children and their families each year. The Council was established in 1977, the first in Oakland County to provide a proactive approach addressing child abuse and neglect issues. All of its programs and many community collaborations take place in Pontiac-based CARE HOUSE, home of the Child Abuse and Neglect Council.

**The Community House Children’s Programs**

**MISSION:** An independent, nonprofit organization established in 1923 that is dedicated to enhancing the quality of life in the greater community. To fulfill its mission, the House offers more than 900 free and low-cost educational, social and cultural programs to children and adults annually. Its numerous, exceptional children’s programs include the “Parenting Pointers” series; 21st Century Leaders program for middle school children of Oakland County; the Story Tellers Guild, which takes literature into underprivileged elementary schools; and a nationally accredited, state-of-the-art childcare center.

**Orchards Children’s Services**

**MISSION:** Orchards Children’s Services is a leader among Michigan child welfare agencies that have provided child and family services to the Detroit Metro area for the past 30 years and currently is the largest foster care and second largest adoption agency in the State of Michigan. Additionally, Orchards offers clinical and therapeutic services, family reunification counseling and in-home services, wraparound services, adoption services, and community outreach services. Outreach programs include Detroit and Pontiac baseball leagues and after-school arts programs, as well as a day camp for emotionally impaired children.

**Variety - The Children’s Charity**

**MISSION:** Variety Club International was established in 1928 to help children around the world. The 58 chapters worldwide raise more than $25 million annually, helping build and maintain children’s hospitals and clinics, day care centers, specially equipped gymnasiums, camping programs, medical research laboratories and residential facilities. Established in 1932, Detroit’s Variety Chapter, based in Southfield, has more than 2,000 volunteers and supporters and raised money for local children’s charities providing hope and opportunity for children with special needs in our own community.
USE OF RYDER CUP FUNDS: The funds received from the Legends Fore Children fundraiser will allow the four charities to continue to offer a broad range of services to children as follows:

- Through the Child Abuse and Neglect Nurturing Parenting program, provide at-risk families with a 15-week research-based peer participation curriculum. The goal of the program is to enhance and promote family communication and provide positive parenting role models in order to prevent child abuse and neglect.

- The Community House will expand a program called 21st Century Leaders for middle school children in Oakland County.

- Orcharis Children’s Services sponsors outreach programs, including Detroit and Pontiac baseball leagues and after-school arts programs.

- Variety provides local charities with 15 passenger coaches to provide transportation for children to doctor’s appointments and special needs services.

PGA Hospitality Chalet

Traditionally, The PGA Foundation utilizes the PGA of America Chalet during practice rounds for all PGA of America championships. The Corporate Hospitality setting provides a wonderful opportunity for networking, entertainment and relaxation. Each of the 12 charities selected to benefit from the Captains Challenge and Champions Invitational fundraisers will receive the 300 PGA Chalet credentials for the Tuesday and Wednesday practice rounds. The selected charities can use these credentials to invite their Board of Directors, donors and prospective donors, special volunteers as well as some of their clients to the Ryder Cup Matches practice rounds. These are extremely valuable tickets because full-service food and beverage menus will be provided. The estimated value to these groups is $75,000.

U.S. Ryder Cup Team Outreach Program

The PGA of America will again distribute a total of $2.6 million on behalf of the United States Ryder Cup Team. The Captain and each team member of the 2004 Ryder Cup will donate $100,000 to his favorite charity and another $100,000 to the university of choice for the Golf: For Business & Life program. Inclusive of the past three Ryder Cup Matches, total contributions of $7.8 million were made on behalf of the U.S. Team to charities ($4.4M) and the Golf: For Business & Life program ($3.4M).
