The total field will be a maximum of 156 players. All other openings in the field will be filled, in order, off of the 2012 Champions Tour Money List through May 7, 2012, through position 99. If, and when, the next opening occurs, position 100 and forward will be filled by alternating between the 2011 Southworth Senior PGA Professional National Championship Alternate List and the 2012 Champions Tour Money List.
