Dear PGA Junior Series Players and Participants,

The Callaway Golf family is proud to sponsor this outstanding series of affordable and competitive tournaments. We believe the game should be accessible to all players, and for the second consecutive year, we're honored to be part of a program that helps young players experience the world of competitive golf. From Durham, North Carolina to Hastings, Nebraska and on to El Cajon, California, we're working to build more confidence and enjoyment for tomorrow's players—one swing at a time.

We extend our best wishes to everyone involved in the 2004 Callaway Golf PGA Junior Series. We sincerely hope you enjoy the game.

Dear Contestants:

On behalf of the Board of Directors, members and staff of Lochland Country Club, we would like to **WELCOME** you to Lochland and Hastings, Nebraska. Lochland has long been a strong supporter of Junior Golf as this is our 6th year of hosting this event.

Lochland's challenging layout ranges in length from 5,800 to nearly 7,000 yards. It offers bent grass greens and a mixture of rye/bluegrass fairways. You'll be able to test your skills against Lochland's signature hole, the **563-yard par 5, #18**. All male golfers will hit over the lake from the tee and then again on their second shot. **John Daly**, in conjunction with the 1992 Nebraska Boy's State High School Championship, played an exhibition and drove over the lake requiring an approximate carry of 310 yards.

You'll find the golf course under the guidance of course superintendent **Craig Ferguson**, to be in immaculate condition. The course is often cited as the best-conditioned golf course in the state of Nebraska. Lochland was recognized in 1999 as the "inaugural" winner as the "**Golf Facility of the Year**" by the Nebraska Section, PGA of America.

In addition to Lochland, Hastings offers many exciting options for entertainment including: Champions Sports and Recreation, YMCA and the Lied Super Screen Theatre. Hastings is also the home of legendary Nebraska football coach turned Congressman, **Dr. Tom Osborne**. Congressman Osborne attended Hastings High as well as Hastings College – only minutes from Lochland.

As our guests you and your family are welcome to utilize our facilities, which include dining, swimming and tennis. If you have any questions or we can be of any further service to you, do not hesitate to contact any of our 480 members or staff. We wish you the very best in your golf as well as in your stay!

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff Anderson", with a long, horizontal flourish extending to the right.

The PGA of America Mission

The PGA of America was founded Jan. 17, 1916, when a group of golf professionals in the New York City area, accompanied by several prominent amateur golfers, met to discuss forming a professional association. Since that informal gathering, The PGA of America has grown into the world's largest working sports organization with more than 28,000 members and apprentices. As the leaders in the game, The PGA of America is dedicated to promoting interest in the game of golf to everyone, everywhere. It strives to establish and maintain professional standards of practice for the golf profession and enhance the well-being of its members.

The PGA of America devotes itself to assisting in the education and employment of today's PGA Professionals, and developing their knowledge, training and business acumen.

For the enjoyment of golf enthusiasts everywhere, the Association continues its promotion of the game by conducting four major spectator events: The PGA Championship, begun in 1916; the Ryder Cup Matches, which will be held at Oakland Hills Country Club in Bloomfield Hills, Mich. in September; the Senior PGA Championship; and the PGA Grand Slam of Golf.

As part of its mission, The PGA of America dedicates itself to the development of the next generation of golfers. The PGA Foundation promotes a variety of junior programs through "First Swing," "Clubs For Kids," and "Kids On Course" programs. In addition, The PGA of America conducts the Westfield PGA Junior Championship, one of the major championships on the junior circuit, and the Callaway Golf PGA Junior Series.

The PGA of America continues to flourish by adhering to the principles that were set down by its founders.
