Boys 16-17	Blue/White	6,727 yards
Boys 13-15	White/Gold	6,396 yards
All Girls	Gold/Red	5,989 yards

**Pace of Play**

The Rules of Golf require that a player shall at all times play without undue delay. PGA Officials will use discretion concerning the Pace of Play of early groups. All groups will be expected to play at a reasonably fast pace, 14 minutes per hole. Any group falling a hole (par 4 or par 5) behind and is over the 14 minute-per-hole pace is subject to being timed. A group will be warned when they are out of position and about to be timed.

**Timing**

The timing of a player's stroke will begin when the player has had a reasonable opportunity to reach his/her ball; it is the player's turn to play and the player can play without interference or distraction.

Except on the putting green, if a player has reached his/her ball, it is his/her turn to play and there are no distractions, timing will begin after he/she has had reasonable time to select a club. Time spent walking backward or forward for determining yardage will count as part of the time taken for the next stroke.

A player will be allowed a maximum of 40 seconds to complete his/her stroke. **Note:** An additional 10 seconds will be allowed for; a) the first to play from the teeing ground at a par 3 hole; b) the first to play a second stroke on a par 4 or par 5 hole; c) the first to play a third stroke on a par 5 hole; or d) the first to play on or around the putting green.

If a player exceeds the time limit on one (1) occasion, he/she will then be cautioned that if he/she exceeds the time limit on one more occasion, (total of 2), he/she will automatically incur a penalty of one stroke, under Rule 6-7. If the player exceeds the time limit on one more occasion, (total of 3), he/she will incur an additional two stroke penalty. If the player exceeds the time limit a total of four (4) times, the penalty is disqualification.

*Note: If the group in question regains its proper position, any bad timings will be carried over for the remainder of that round in the event that group requires additional monitoring.*

---

### **Suspension of Play**

A suspension for a dangerous situation (*i.e.: lightning or tornado*) shall be signaled by one long siren or horn blast. Players shall discontinue play immediately and seek shelter. All other types of suspensions shall be signaled by three short blasts. All practice areas shall be closed during suspension for a dangerous situation until the committee has declared them open for use.

---

### **Play-Offs**

All ties for first place only will be decided by a sudden death play-off on a hole(s) to be determined by the Committee. All other ties will be decided by a scorecard play-off, the winner being determined on the basis of the total score of the last nine (holes 10-18). If the players have the same score for the last nine holes, the winner will be determined on the basis of the last six (13-18), last three (16-18), and finally last hole (18th).

# The PGA of America Mission

The PGA of America was founded Jan. 17, 1916, when a group of golf professionals in the New York City area, accompanied by several prominent amateur golfers, met to discuss forming a professional association. Since that informal gathering, The PGA of America has grown into the world's largest working sports organization with more than 28,000 members and apprentices. As the leaders in the game, The PGA of America is dedicated to promoting interest in the game of golf to everyone, everywhere. It strives to establish and maintain professional standards of practice for the golf profession and enhance the well-being of its members.

The PGA of America devotes itself to assisting in the education and employment of today's PGA Professionals, and developing their knowledge, training and business acumen.

For the enjoyment of golf enthusiasts everywhere, the Association continues its promotion of the game by conducting four major spectator events: The PGA Championship, begun in 1916; the Ryder Cup Matches, which will be held at Oakland Hills Country Club in Bloomfield Hills, Mich. in September; the Senior PGA Championship; and the PGA Grand Slam of Golf.

As part of its mission, The PGA of America dedicates itself to the development of the next generation of golfers. The PGA Foundation promotes a variety of junior programs through "First Swing," "Clubs For Kids," and "Kids On Course" programs. In addition, The PGA of America conducts the Westfield PGA Junior Championship, one of the major championships on the junior circuit, and the Callaway Golf PGA Junior Series.

The PGA of America continues to flourish by adhering to the principles that were set down by its founders.
