The PGA of America Mission

The PGA of America was founded Jan. 17, 1916, when a group of golf professionals in the New York City area, accompanied by several prominent amateur golfers, met to discuss forming a professional association. Since that informal gathering, The PGA of America has grown into the world's largest working sports organization with more than 28,000 members and apprentices. As the leaders in the game, The PGA of America is dedicated to promoting interest in the game of golf to everyone, everywhere. It strives to establish and maintain professional standards of practice for the golf profession and enhance the well-being of its members.

The PGA of America devotes itself to assisting in the education and employment of today's PGA Professionals, and developing their knowledge, training and business acumen.

For the enjoyment of golf enthusiasts everywhere, the Association continues its promotion of the game by conducting four major spectator events: The PGA Championship, begun in 1916; the Ryder Cup Matches, which will be held at Oakland Hills Country Club in Bloomfield Hills, Mich. in September; the Senior PGA Championship; and the PGA Grand Slam of Golf.

As part of its mission, The PGA of America dedicates itself to the development of the next generation of golfers. The PGA Foundation promotes a variety of junior programs through "First Swing," "Clubs For Kids," and "Kids On Course" programs. In addition, The PGA of America conducts the Westfield PGA Junior Championship, one of the major championships on the junior circuit, and the Callaway Golf PGA Junior Series.

The PGA of America continues to flourish by adhering to the principles that were set down by its founders.

Par 72

Tees to Play

Boys 16-17	Blue	6,497 yards
Boys 13-15	White	6,248 yards
All Girls	Red	5,701 yards

Pace of Play

The Rules of Golf require that a player shall at all times play without undue delay. PGA Officials will use discretion concerning the Pace of Play of early groups. All groups will be expected to play at a reasonably fast pace, 14 minutes per hole. Any group falling a hole (par 4 or par 5) behind and is over the 14 minute-per-hole pace is subject to being timed. A group will be warned when they are out of position and about to be timed.

Timing

The timing of a player's stroke will begin when the player has had a reasonable opportunity to reach his/her ball; it is the player's turn to play and the player can play without interference or distraction.

Except on the putting green, if a player has reached his/her ball, it is his/her turn to play and there are no distractions, timing will begin after he/she has had reasonable time to select a club. Time spent walking backward or forward for determining yardage will count as part of the time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace the ball, repair his/her ball mark and other ball marks on the putting line, and remove loose impediments on the line of the putt.

A player will be allowed a maximum of 40 seconds to complete his/her stroke. **Note:** An additional 10 seconds will be allowed for; a) the first to play from the teeing ground at a par 3 hole; b) the first to play a second stroke on a par 4 or par 5 hole; c) the first to play a third stroke on a par 5 hole; or d) the first to play on or around the putting green.

If a player exceeds the time limit on one (1) occasion, he/she will then be cautioned that if he/she exceeds the time limit on one more occasion, (total of 2), he/she will automatically incur a penalty of one stroke, under Rule 6-7. If the player exceeds the time limit on one more occasion, (total of 3), he/she will incur an additional two stroke penalty. If the player exceeds the time limit a total of four (4) times, the penalty is disqualification.

Note: If the group in question regains its proper position, any bad timings will be carried over for the remainder of that round in the event that group requires additional monitoring.

Withdraw/Alternate

Please call 561-624-8528 if you must withdraw before the competition so we may contact the next alternate to participate.

Scoring Areas

At the conclusion of your round, please go to the scoring tent behind # 9 and # 18 greens to check scores and return your scorecard. You are only responsible for the correct hole-by-hole scores and two signatures (*i.e.*, *your markers and your own*).

Suspension of Play

A suspension for a dangerous situation (*i.e.*: *lightning or tornado*) shall be signaled by one long siren or horn blast. Players shall discontinue play immediately and seek shelter. All other types of suspensions shall be signaled by three short blasts. All practice areas shall be closed during suspension for a dangerous situation until the committee has declared them open for use.

Play-Offs

All ties for first place only will be decided by a sudden death play-off on a hole(s) to be determined by the Committee. All other ties will be decided by a scorecard play-off, the winner being determined on the basis of the total score of the last nine (holes 10-18). If the players have the same score for the last nine holes, the winner will be determined on the basis of the last six (13-18), last three (16-18), and finally last hole (18th).

Awards

Crystal medallions will be awarded to the top three places in each age division. The presentation of these prizes will take place by the scoreboard immediately following conclusion of play for each age group.

Player of the Year Points Breakdown

It is OK to help look for balls or carry umbrellas. Please do not interfere or distract players with the use of cameras, cell phones or beepers.

Appendix I refers to Appendix I in the current USGA Rules of Golf as approved by The United States Golf Association and R&A Rules Limited.

CONDITIONS OF THE COMPETITION

- GOLF BALLS:** The ball the player plays must be named on the current List of Conforming Golf Balls issued by the USGA.
PENALTY FOR BREACH: Disqualification.
- CADDIE:** A player is prohibited from using a caddie during the stipulated round. See Penalty Statement in Appendix I.
- TRANSPORTATION:** Except when permitted by the PGA of America Rules Committee, players must walk at all times during the stipulated round. See Penalty Statement in Appendix I.
- PACE OF PLAY:** A player shall be subject to penalty if he/she unduly delays play. The PGA of America Junior Series Pace of Play Regulation is in effect and available at all tournaments.

If a practice stroke is played on or near the putting green of the hole last played, the player shall incur a penalty of two strokes at the next hole, except in the case of the last hole of the round, he incurs the penalty at that hole.
- SIGNALS FOR SUSPENDING AND RESUMING PLAY:**
 - One prolonged air horn or siren blast – Suspension for Dangerous Situation
 - Three consecutive air horn or siren blasts – All other types of Suspension
 - Two consecutive air horn siren blasts – Resumption of Play

SUSPENSION OF PLAY – DANGEROUS SITUATION: When play is suspended by the Committee for a dangerous situation (lightning, tornado, etc.), if the players in a match or group are between the play of two holes, they must not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, they must discontinue play immediately and not resume play until the Committee has ordered a resumption of play. If a player fails to discontinue play immediately, he is disqualified unless circumstances warrant waiving the penalty as provided in Rule 33-7. See Decision 6-8b/7

SUSPENSION OF PLAY – NON DANGEROUS SITUATION: Proceed as prescribed in Rule 6-8.

- CLOSE OF THE COMPETITION:** The competition is closed when the champion has been announced, all scores have been posted, and the Committee has approved the results.

LOCAL RULES

- 1. OUT OF BOUNDS:**
ROADS: A ball which crosses a public road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course.
DOUBLE STAKES: When used, the boundary for that hole(s), is deemed to extend indefinitely in the direction of the 'squared off' stake.
- 2. GROUND UNDER REPAIR:** (a) Areas enclosed by white lines (except ball drops);

The ball when dropped must first strike a part of the course through the green. Exception: A player not take relief under this Local Rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this Local Rule. **PENALTY FOR BREACH:** Match Play – Loss of hole; Stroke Play – Two Strokes.
- 4. TURF PLUGS ON PUTTING GREENS:** Turf plugs on putting greens are deemed to have the same status as hole plugs and thus may be repaired as prescribed in Rule 16-1c.
- 5. OBSTRUCTIONS - WHITE LINES:**
(a) White lined areas tying into artificially surfaced roads, paths or other obstructions are deemed to be extensions of the obstruction and are not ground under repair.
(b) Landscaped flowerbed areas completely encircled by an obstruction are part of the obstruction.
- 6. RETAINING WALLS AND PILINGS:** When located within water hazards or within and/or around bunkers, retaining walls and pilings are integral parts of the course. When located contiguous to cart paths (through the green), retaining walls and pilings are deemed to be part of the cart path.
- 7. TREE STAKES:** The stake and/or cable is an obstruction. No relief from the tree only.
- 8. TREE WRAPPINGS, ELECTRICAL WIRES AND CABLES:** Integral parts of the course – NO RELIEF.
Tree wrappings, electrical wires, cables and other artificial objects closely attached to trees ARE NOT obstructions.
- 9. PERMANENT ELEVATED POWER LINES:** If a ball strikes a permanent elevated power line, the player must disregard the stroke, abandon the ball and play another ball as nearly as possible at the spot from which the original ball was played in accordance with Rule 20-5 (Making Next Stroke from Where Previous Stroke Made).
